Mr. Thompson declared that he made

this statement from years of close study, in a field of the widest opportunities for observation, embracing the principal industrial centres both of the North and South.

In support of his statement he said

that, on every hand and for the slight-Janusry 13, 1900.

"A further law," he added, "should be enacted that would make it justifiable homicide for any killing that occur-ed in defence of any lawful occupation, the theory of our Government being that any one has the right to earn an nonest living in this country, and any endeavor to deprive one of that right should be placed in the same legal

status with deprivation of life and In view of the close relationship existing among all classes of our citizens, and the independency of all interests, strikes and boycotts, he thought, should be made a felony, both by national and State legislation; and to secure adequate relief for the grievances for which strikes and boycotts are inaugurated he suggested the formation of State and National Boards of Arbitration, authoriz d and empowered to settle all matters of difference between labor and capital and which decrees should be binding on the parties affected.

DOES IT PAY TO BUY CHEAP? A cheap remedy for coughs and colds all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possi-ble for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Bos chee's German Syrup." It not only beals and stimulates the tissues to destroy the germ disease, but allays influmnation, causes easy expectoration, gives a good night's rest, and cures the patient. True over bottle.
